

Spark Wallet

A cryptocurrency wallet so simple that even your **grandma** 🧓 can use it!

www.sparkwallet.io

AVAILABLE ON

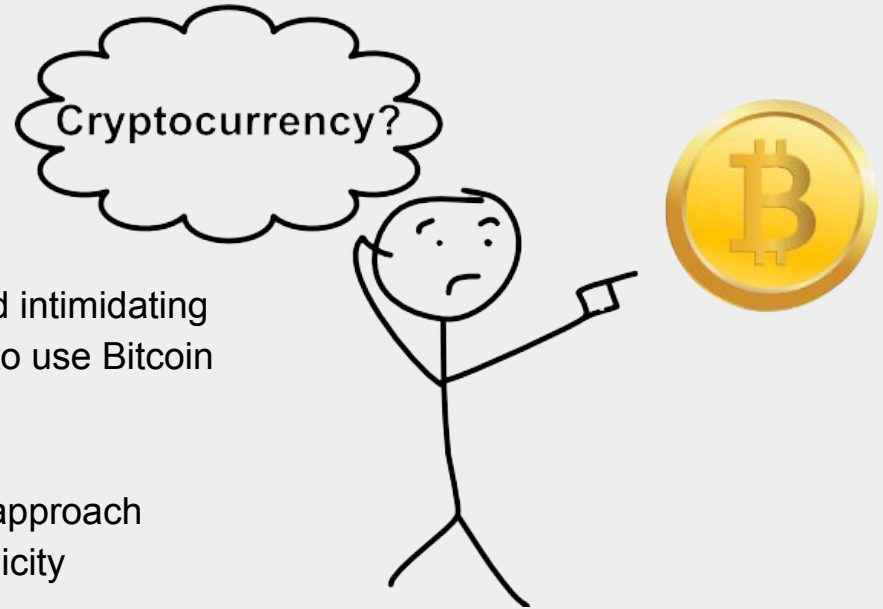

Spark Wallet - a crypto platform for the everyday user offering to shop, earn and learn about bitcoin all in one place.

Why do we need another wallet?

- Current Bitcoin solutions are too technical and intimidating
- Allow EVERYONE (yes even your grandma) to use Bitcoin
- From Download to Crypto *under 1 minute*
- Educate and Empower people
- Simplified Crypto experience using a guided approach
- Mass adoption through ease of use and simplicity
- Rewards for using Crypto payments
- Give back and help people everywhere through “Create a Legacy” initiative
